Clarifications against queries for Bid no. 03/ EC /UPNEDA/SDA/2021 received up to 17 Oct 2021 are given below:

Name of firm	Sr. No.	Query	Clarification
Design 2 Occupancy Services LLP	1	On page no.13, point X. in “Documents to be enclosed with the bid”, where UPNEDA mentioned the understanding of assignment along with methodology indicating the broad scope of work, plan and roadmap of said work should be attached but on page no.14 in QCBS marking there are no marks for methodology, so, approach and methodology should also come in QCBS marking.	The detail of assignment is defined in scope of work. Methodology will be based on scope of work, hence Committee has decided that no change is required in QCBS Marking
	2	We are assuming that we have to submit a techno-commercial bid online and a technical bid has to be submitted offline. Please confirm	It is clearly mentioned in tender notice, bidders will have to submit technical bid document and other relevant documents online and also in hard copy.
	3	We have to submit a bid security declaration in lieu of EMD and there is no bid processing fee. Please confirm	There is no bid Processing fee and bidders will have to submit Bid Security declaration in lieu of EMD on the format as mentioned in Appendix-II
	4	On page no. 13, point V in “Documents to be enclosed with the bid”, can we enclose the work order/ work completion certificate as proof?	Yes, Bidder can submit work order and work completion certificate as proof.

GTD Power Systems Pvt. Ltd.	5	No estimated amount have been fixed on Packed Lunch, Tea, Sitting arrangements, training kits (which include a folder/bag printed training material, and necessary stationary items) and other venue arrangements. These expenditures will constitute major part for organizing Workshop. Please elaborate the quantity, quality and tentative expenditure to be made on these item. Alternatively Packed Lunch, Tea, Sitting arrangements and other venue arrangements (sitting and audio) may be deputed to Krishi Vigyan Kendra and Fixed expenditure may be transferred to them directly. This will avoid complaints on organizing Workshop.	Quantity of participants is clearly mentioned in scope of Work. It is min 50 and max 70. Bidder will have to quote rate for all facilities as mentioned in scope of work considering 50 participants. However additional charges will be paid for additional participants as mentioned in bid document. All the logistics to be arranged by the selected Agency as per scope of work.
	6	Whether Logistic include transportation of participants?	Farmers will be from concern village and nearby village. So no separate transport is required.
	7	Krishi Vigyan Kendra should also be given responsibility of finalizing list of participants. Being the local matter, it will be very very difficult matter for the Agency and participation may be affected. However their list with contact no may be given by them to the Agency for follow up.	Bidder will have to do it on their own; however, agency may contact KVKs for necessary assistance in finalizing list of participants.
	8	The bidder relevant work experience in the area of Energy Efficiency and Conservation has not been given any credit in Selection criteria.	Relevant work experience in the area of EE and conservation is mentioned in minimum eligibility criteria. Our priority is organizing workshops for farmers, hence marks for experience in organizing training programs on Energy Efficiency has been put at Point no 05 of QCBS marking score card.
