3 Sub: Scheme to provide financial assistance to CBG Producers for procurement of biomass aggregation machinery.

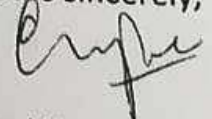

(Ajay) Government of India has taken various steps for promotion of production and uses of Compressed Bio Gas (CBG) in the country. "Scheme for providing financial assistance to Compressed Bio Gas (CBG) producers for procurement of biomass aggregation machinery (BAM)" is one among them. Copy of Scheme guideline is attached for the reference.

2. Under aforesaid scheme CBG producers may submit applications for seeking financial assistance on BAM portal (www.bam.eil.co.in) between the 1st and 30th day of every quarter. The application window for the current quarter is now open until 30th July 2024.

3. In this context, it is requested to disseminate this information and encourage CBG producers, particularly those operating agri-residue based CBG plants, to apply on the portal for seeking financial assistance to procure biomass aggregation machinery under aforesaid scheme. This would help in creation of waste to wealth and addressing the issue of stubble burning.
